This Month's Highlight

Dreaming of Rock Stardom

On 27 Feb, Azfar, a 12 year old boy diagnosed with Lymphoma, saw his rock star wish come true. He checked into a luxurious hotel, complete with an entourage of managers, personal assistants and public relations agents. A red Ferrari picked our young superstar up from the hotel, whisking him off to the Hard Rock Café, a place where rock legends were born. His family and friends, including a crowd of fans and paparazzi were there to support Azfa!
