Mikhail's Magical Weekend Adventure

Mikhail is a 3 year old bubbly boy. He is wheel-chair bound as he suffers from Meningitis- an inflammation of the brain and spinal cord. His wish was to celebrate a "Bob the Builder" themed birthday party with his family and friends.

His magical weekend adventure began with checking in for a weekend stay at the Siloso Beach Resort. Mikhail loves animals, so its off to the Bird Show at The Palawan Amphitheatre. He was amazed at how clever the parrots were.

The Pink Dolphin Show was the next stop - It was amazing the tricks the dolphins were able to do. The Highlight was the Underwater World. Mikhail could not stop staring at all the beautiful fishes, the stingrays and sharks that were swimming around. He also had so much fun petting the fish that he almost joined them in their pool!

He then went up to the top of the Merlion. What a view!! It was really amazing. After all the sightseeing, it was Project Party time - celebrating Mikhail's 3rd birthday. The biggest surprise was when "Bob the Builder" made a special appearance!! He brought presents for Mikhail as well as the Bob the Builder birthday cake.

Mikhail's mum commented after the party... "On behalf of everyone from my family and friends I would like to say a sincere thank you to you and the whole team of Make-A-Wish Singapore for their sincere efforts and the hard work put into one of the most memorable days we've had. Thank you. We've enjoyed ourselves truly and I'm sure so did Mikhail! Thank you all again."

Syara's Disney Princess Birthday

Like a true fairytale Princess Syara loves helping out around at home and always has a warm cheerful smile for everyone. So it's no surprise that Syara just loves Disney Princesses and for her special wish, she longed to be a Disney Princess at her very own princess party. With Make-A-Wish, nothing's impossible so wish granters Juli and Pei Leng set about making her wish come true. With a bippy boppity boo, the wish granters transformed a function room at Suntec City into a fantasy Disney kingdom. Princess Syara and her twin sister Syura entered to a thunderous ovation from their guests. Dressed in princess gowns, complete with long, flowing tresses, the girls looked prettier than any Disney princess. .And with all fairy tales, there has to be a handsome prince. At Syara and Syura's party, the handsome prince was none other than Aliff Aziz, Syara's favourite singer. Syara was thrilled beyond belief.

Syara told her mommy after the party... "I am so happy because my wish for long hair and become Disney Princess come true!"
